HUNT TO COACH CARLETON TEAMS

RESIGNS FROM UNIVERSITY OF
WASHINGTON—BEGINS WORK
HERE NEXT FALL.

UNDEFEATED FOUR YEARS

Triumph Over Chicago University and
Point-a-Minute teams Past
Achievements.

The announcement of the return of
Coach C. J. Hunt to Carleton next fall
has just been made.

Coach Hunt's record during his pre-
vious stay at Carleton is well remem-
bered by those who were here while
he had charge of Carleton's athletic
teams but a brief resume of his re-
cord will help those who do not know
him to get acquainted with the man
who has had more to do with Carle-
ton's brilliant athletic record than any
other man.

Coach Hunt started his athletic
career as a player at Depauw Univer-
sity, where he made an enviable re-
cord as a tackle, guard and center. He
was the unanimous choice for all-State
center his last year, when the Depauw
team won the state championship.

His first coaching experience was
gained at Hillsdale College, Michigan,
where he turned out one champion-
ship football team and two state cham-
pionship basketball teams.

He then came to Carleton and his
football teams won the championship
every year. He also coached the bas-
ketball team and baseball teams
which gave good accounts of them-
selves in every game. The climax to
his coaching at Carleton was the win-
ning of the Chicago-Carleton game
which gained for Carleton and himself
national renown.

Coach Hunt was offered the position
as head coach at Washington State
University, which he accepted. Dur-
ing his stay at Washington he con-
tinued to coach winning teams.

Now that he is to return to Carleton,
we can look forward to some very
successful athletic records from his
teams.

ZOELLNERS PLEASE LARGE AUDIENCE

FAMOUS STRING QUARTET GIVES
A DELIGHTFUL AND VARIED
PROGRAM.

The Zoellner String Quartet appear-
ed as the fifth number of the Carleton
Concert course, Friday evening, Janu-
ary 30, in the Skinner Memorial Chap-
el.

That the Zoellner Quartet, which is
composed of the father, Joseph Zoell-
ner, his daughter, Antoinette, and his
two sons, Joseph Jr., and Amundus,
has been recognized as one of the
greatest string quartets seemed to be
felt by the large, responsive and ap-
preciative audience.

Program Varied.
The program was well-varied, con-
taining compositions of the old mas-
ters and of the ultra-modern compos-
ers. The first number was the D minor
Quartet (Kochel 421) by Mozart. This
was played in perfect rhythm and
tempo; and the Zoellners showed a
mastery of the art of ensemble play-
ing and tone shading, as they did in
all the numbers of the program.

Perhaps the most interesting of the
three groups was the Romantic Sere-
nade, Op. 25, by Jan Brandts-Buys,
which was thoroughly romantic and thrill-
ing, and seemed to be fully enjoyed by
the audience, altho it was rather nov-
el.

The Quartet No. 2, by Borodine was
substituted by the following numbers:
"Molly on the shore" by Percy Graen-
ger; "Rain Song" Op. 35, by Senegam-
bla; "Polish Folk Song," by Glazanov;
5, by Haydn. As an encore they play-
ed "Andante Contabile," Op. 3, No.
ed "Genius Laci," by Thorn.

MR. CARRUTH SPEAKS AT CHAPEL JAN. 23

"A Vocation and an Avocation" is
Theme of Address to
Students.

At the chapel hour, Friday, January
23, Mr. Charles T. Carruth, the noted
art critic, spoke, using as his theme,
"A Vocation and an Avocation."

"The line from Kipling, 'O East is
East, and West is West, and never
the twain shall meet' does not apply
to America" began Mr. Carruth. "The
nearer we get together and exchange
ideas, the sooner do we arrive at the
ideals of true Americanism. The West
can teach the East much, and the East
has some things to impart to the West."

MANY CONTESTS ON FORENSIC CALENDAR

Wingate to Represent Carleton at the
State Oratorical on
February 20.

Carleton's forensic calendar for the
next two months includes many events
which are of particular interest to the
student body.

On Friday night, February 20, the
State Oratorical contest will be held
at Gustavus Adolphus College at St.
Peter. This is the first state oratori-
cal for two years, the war having in-
terrupted the plans of last year. John
Wingate, '21, will represent Carleton
in the contest this year.

Tryouts for the Sophomore-Fresh-
man oratorical contest will be held
March 24. The orations which are to
be given must be submitted to Prof.
Cochran Saturday, March 20. Failure
to hand in the oration by that time
will bar the person from the contest.
The final contest will be held Thurs-
day evening, April 8, in the Skinner
Memorial Chapel.

Societies to Debate for Cup.
Inter-society debaters will engage in
the final triangular debate for the pos-
session of the Inter-society debate cup
societies which were eliminated in the
April 26. The teams of the three
fall debates will also have a triangular
debate. No definite arrangements for
this have been made. The question
which the inter-society teams will de-
bate is: Resolved; That the Federal
Government should Own and Operate
the Coal Mines of the United States.
Questions on the Merchant Marine
and Compulsory Military Training
were also submitted to the Forensic
board.

The Stimson debates between the
Freshman and Sophomore classes will
be held near the middle of May, no
definite date having yet been set. A
prize of fifty dollars goes to the win-
ning team in this debate.

"Extemp" Speaking Considered.
Some consideration has also been
given to an extemporaneous speaking
contest between the societies. Nothing
definite has been done, but the matter
is up before the different societies
for further consideration.

MASS COMPETITION CONTINUES IN GYM

March Makes Highest Jump, Hunter
Still in Lead in Indi-

will be done in the early part of the
second semester. As soon as the ar-

be organized in swimming, boxing, in-
door track, and basketball. This work
will take the place of regular gymnas-
ium work for the second semester.

CARRUTH DELIGHTS CARLETON AUDIENCE

Famous Art Critic Gives Instructive
and Entertaining Lectures on
Italian Art.

Art lovers of the Carleton commu-
nity were given a rare treat by Mr.
Charles Carruth of Cambridge, Mass.,
the wonderful opportunity of hearing
a series of three lectures pertaining
to early Italian Art. These lectures,
given in Skinner Memorial Chapel on
January 21, 22, 23, were beautifully
illustrated with lantern slides.

The purpose of Mr. Carruth's three
lectures was to show in the early de-
velopment of Italian art, the begin-
nings of the two distinct schools of art,
that of the Realists, and that of the
Sentimentalists. His first lecture was
an introduction to Italian art, the sec-
ond a step into the school of the Real-
ists, and the third one, a visit to the
school of the Sentimentalists.

Introducing the subject in the first
lecture, Mr. Carruth traced the begin-
nings of Italian art in a very enter-
taining manner up to the beginnings
of the Renaissance. Mention was
made of such pioneers as Giotto, who
is known as the "Father of Modern
Painting." The chief artist of atten-
tion in this lecture was Fra Angelico,
who lived in the first part of the fif-
teenth century. Mr. Carruth showed
very ably the great improvements
made by Fra Angelico as he broke
away from the influence of his pre-
decessors, and, by contact with the men
of his time, became one of the pio-

TELLS OF LECTURE TOUR THRUOUT EAST

Miss Benton, at Y. W. C. A. last Wed-
nesday, Describes Work in
Y. Drive.

At the Y. W. C. A. last Wednesday
evening, Miss Benton gave an inform-
al talk on her recent lecture tour in
the East, where she spoke in the inter-
ests of the four and a half million dol-
lar drive of the Young Women's
Christian Association.

Miss Benton made about forty
speeches on this tour which took her
thru Connecticut, Massachusetts, and
Rhode Island. She spoke at Radcliffe,
Smith, Bates, and Colby colleges, be-
fore groups of high school students,
women of agricultural colleges, work-
ing girls, and in churches. "One of the
most interesting experiences was in
speaking thru an interpreter to a
group of Lithuanian girls from a fac-
tory," said Miss Benton. "They had
heard of my visit to Lithuania and
asked to be allowed to hear my talk."

Summarizes Y. W. C. A. Work.

In her speeches Miss Benton told of
the purpose of the Y. W. C. A., of
what it had accomplished in our coun-
try and in foreign countries, and of
what it needed and wanted to do for
women in the future. She told of the
city organizations which are such a
help to the working girls, of the work
among negro women, of the eight-
week clubs for country girls, of the
war work, and of the appeals for help
from the associations which were com-
ing from Roumania, Greece, Belgium,
and Poland, appeals which are backed
by the requests of the governments
for such assistance for their women.

Miss Benton related an interesting
personal experience of the day spent
with the beloved and crippled wife of
Dean Ladd, and of the evening during
which Professor Palmer, the husband
of Alice Freeman Palmer, read "Bobby
Burns" to a small group of his friends.

St. Olaf Goat, Cherished Trophy, Returns to Abode

Once upon a time
many years ago, "St.
Ole" had visions of de-
feating her ancient riv-
al from over the river
in a game of basketball.
So sure were they that
the victory was finally
to be achieved, that
they constructed, or
had constructed, a
work of art in the form
of a goat, and named it
"Carleton's Goat."

Many are the tales
handed down from stu-
dent generation to stu-
dent generation of the
fierceness of the battle
and of the thrilling in-
cidents which led to
the retreat of the "St.
Ole" forces without their precious
goat.

Years have elapsed since that
mighty struggle, but, try as they can,
the goat remains in the hands of the
enemy.

But is that the entire history of this
famous goat? Ah no, like the Vene-
tian Horses this goat has traveled far
and wide in the hands of an invading

ous offices.

the various classes. They are: Sen-

FRENCH PLAYS FOR FRIDAY CANCELLED

ORDER OF BOARD OF HEALTH OF-
FICERS MAKES IT IMPOSSIBLE
—TO CARRY OUT PLANS.

Because the health authorities of
Northfield have forbidden public meet-
ings, the French plays, which were to
be given Friday night by the Carlo
Liten company of players, have been
cancelled. A telegram has notified the
company of the situation.

Tho it is possible to present the
plays to a Carleton audience, this is
not feasible because of the heavy fi-
nancial loss which it would incur. The
success of the undertaking depended
largely on the co-operation of the peo-
ple of Northfield and the students of
St. Olaf. As the situation now is, they
cannot contribute in any way to it,
making it necessary to cancel the
plays.

College Students Under Order of Health Board

In order to better cope with the
health situation of Northfield and the
two colleges, the Northfield Board of
Health has issued an order forbidding
students to go down town. This or-
der was announced to the students
of Carleton early Monday and immed-
iately went into effect.

Students who are living out in town
are permitted to carry on their college
work as before, but they are confined
wholly to the college group. They
are, in every other way, under the
same regulations as the other stu-
dents at Carleton.

Co-operation Urged.

The period of time which this or-
der covers is indefinite, but will con-
tinue until the situation shows im-
provement. The Board of Health
hopes that the students of Carleton
will co-operate to the fullest extent in
the observance and application of this
order.

for an M. D. degree at the Rush Med-
ical College in Chicago. He was given
the degree of M. S. in Physiology from
the University of Chicago in August,
1919. He was also elected to Sigma
XI.

ed with his father in publishing the

SEMESTER OPENED BY COLLEGE PARTY

MUSICAL PROGRAM AND DANC-
ING DRIVE AWAY ALL EX-
AMINATION WORRIES.

Another of the series of all-college
parties was given in the Sayles-Hill
gymnasium, Monday evening, Febru-
ary 2. Everyone seemed to feel the
need of an evening of relaxation and
recreation after a strenuous week of
examinations, before resuming regular
work.

Valentine decorations were used in
the hall, a canopy of red and white
streamers forming a roof, while num-
erous red hearts were suspended by
streamers over the side of the run-
ning track.

Program of Songs.

The program began with two selec-
tions by the band, which were well
received. Miss Helen Hosmer sang,
"The Morning Wind" and "A Memory,"
giving a pleasing interpretation; and
Miss Marlon Swanson sang, "Mammy's
Lullaby" and "Crow's Egg," two child-
ren's songs which delighted the au-
dience. They then sang a duet, "Bar-
carole."

—The rest of the evening was spent
in dancing, Howard's Jazz Orchestra
furnishing the music, and all enjoyed
themselves thoroughly.

Attendance Small.

The attendance was not as large
as usual, owing to the request of the
Health committee of the college that
those having colds should remain at
home.

"STUB" ALLISON TO COACH WASHINGTON U

WAS ONE OF CARLETON'S GREAT-
EST ATHLETES—ALL-
STATE END TWICE.

Following close on the announce-
ment that Coach C. J. Hunt had re-
signed as athletic director of the Un-
iversity of Washington and had ac-
cepted that position here at Carleton,
came the word that Leonard "Stub"
Allison, '17, had been selected to fill
his place.

During his four years at Carleton,
Allison established one of the most
enviable records in athletics ever
made by a Carleton man. He was a
"C" man in football and baseball in
'13, '14, and '15, and was given a let-
ter in basketball in '14 and '15. He
was selected as end on the Mythical
All-State football team in '14 and in '15.
Two captaincies, one in baseball and
one in football were conferred on him
by his teammates.

One of State's Best.

Allison was recognized as one of
the best football men ever turned out
in the state colleges. He was an un-
usually strong defensive player, and
on the offense majored in pulling down
forward passes for good gains. His
ranking in basketball and baseball
was equally as high.

His contract at the University of
Washington is for one year. Immedi-
ately after the resignation of Coach
Hunt, Allison was made director of
basketball and baseball. Soon after he
was appointed Director of Athletics.
He will receive around \$3400 for the
year. While he was in the service he
served as coach of the teams of the
Eighty-eighth Division overseas. Since
his release from the service he has
been assisting Coach Hunt at Wash-
ington.

Team Plays Dartmouth.

A game with Dartmouth, one of
the strongest Eastern colleges, which
is on the football schedule of the Un-
iversity of Washington for next fall
will focus much attention on Allison
as that game will have a great bearing
on the comparative strength of the
gridiron teams of the East and those
of the West.

Ripon Game.

Carleton lost to the strong Ripon
College five at Ripon, Wisconsin, on
January 19, in a close and exciting
contest that ended with the score 20
to 16. The Carleton team exhibited
a reversal of form, and a much closer
game resulted than was expected.

Carleton started the scoring when
Kramer made a long basket from the
center of the floor after about five
minutes of play. No great lead was
held by either team in this period and
the half ended with Ripon leading
8 to 6.

In the second half, Ripon took the
lead, but toward the close of the game
Carleton crept up and was two points
behind the Ripon team when a Ripon
man made a basket and the game end-
ed.

Godfrey, the speedy Carleton for-
ward, was the individual star of the
game. He made two baskets and his
work on the floor was of high order.
Johnson and Gray also played a good
game. Gustin at forward and Herbst
at center played the best games for
the winners.

Play Defensive Game.
The game was exceptionally clean,
only four fouls being called on the
home team, while Carleton escaped
without a penalty. Both aggregations
displayed great defensive powers, the
superior work of the guards keeping
the score down.

The Line-up.

| Carleton | Ripon |

Macalester Game

Playing her first conference game,
Carleton defeated Macalester, Friday
afternoon, January 23, in a close and
hard fought game, 20-14. Both teams
were slow in getting started, but the
game ended with a rush, Macalester
striving desperately to overcome the
six point lead of the Carleton men.

Godfrey started the scoring with a
free throw and was followed by Roy
Grieg of Macalester, who caged the
ball from the floor. Long shots by
Johnson and Godfrey and a difficult
shot from under the basket by God-
frey put Carleton in the lead, but they
lost the offensive and Macalester, with
some good shots crept up, and the half
ended with Carleton leading 9-3.

Second Half Fast.

The game speeded up considerably
in the second half. Macalester took
the lead in this period but could not
hold it for long. Some changes in the
Carleton line-up gave the team new
life, and they easily outplayed their
opponents for the rest of the game.
Shots by Gray, Godfrey and Johnson
swelled the score and gave Carleton
a safe lead. Gray caged a long one
near the end of the game, and the fra-
cas ended with Carleton on the long
end of a 20-14 score.

Godfrey and Gray were the out-
standing stars of the game. Godfrey,
at forward, played an excellent floor
game and was the high point man
with 12 points to his credit. Gray, at
standing guard, was a big factor in
the victory. He broke up many plays,
and made two long shots in the sec-
ond half while playing running guard.
"Heavy" Johnson, at guard, and later
at center, played his usual consistent
game, and was always in the center of
action. Anderson, the Macalester cen-
ter, played a good game and was the
high point man for the losers, making
eight points.

The Line-up.

| Free throws: | Carleton—Godfrey 6 of 11; Macalester—Anderson, 2 of 6. |

St. Olaf Game

The Carleton basket tossers defeat-
ed the St. Olaf team Saturday night,
January 31, in a fast and well-played
battle, 35 to 24. The teams gave the
1500 persons, from both St. Olaf and
Carleton, who packed the Sayles-Hill
gymnasium, the best exhibition of bas-
ketball that has been seen on the floor
